

ST RICHARD REYNOLDS SIXTH FORM

VIDETE BONA DOMINI

Opens September 2018

OPEN EVENING: 6pm - 8pm, 22nd NOVEMBER 2017

Come and find out more: The evening will provide an opportunity to learn more about Sixth Form at the College and to meet staff.

Parents and students from St Richard Reynolds and from other schools are welcome to attend.

St Richard Reynolds Sixth Form opens in September 2018

We are thrilled to be embarking on the next phase of the development of St Richard Reynold's Catholic College.

We want to be measured by academic success and the Sixth Form is no different. Students will be supported to achieve their potential principally through outstanding teaching and tailored pastoral support, something that the College already prides itself upon. As a Catholic College, students will have both planned and more informal opportunities for worship and spiritual growth throughout their Sixth Form careers.

We look forward to providing an outstanding Catholic education to Post 16 students from both St Richard Reynolds and from other schools, and warmly invite you to attend our Open Evening on 22nd November, 6.00 - 8.00pm.

Our purpose-built, dedicated Sixth Form Centre is distinct from the rest of the College. It has a café/socialising area, with an additional space for study and a spacious terrace.

Enrichment programme

In addition to curricular time, there will be many enrichment opportunities including:

Community and charitable projects

Careers workshops and guidance

Drama & Music productions • Duke of Edinburgh awards

Extended Project Qualification • General RE

PSHCE • Theatre trips • UK and foreign trips

And a whole host of other activities and opportunities for students to broaden their educational experience.

What can I study?

Through a well-balanced curriculum of A level courses, independent study and a wider enrichment programme, we are confident that our students will have a wealth of quality post-18 opportunities available to them including top flight apprenticeships, universities and promising careers.
