

Travelling to St Richard Reynolds Catholic College

Walking Zone Map

If you live within the 10 minute zone you could walk to and from school every day. Even if you need a car to travel to work, it may be easier and quicker to leave it parked at home while you do the school run.

If you live outside the 10 minute zone, try walking as it might be quicker than you think!

If you have to travel by car to school, please try to park outside the walking zone, with care and consideration to local residents, and walk the rest of the way.
