

ST RICHARD REYNOLDS CATHOLIC COLLEGE

VIDETE BONA DOMINI

RE Department

Welcome to the RE Department!

You will be joining a dynamic team of five practitioners who truly want to ensure our students get the best start in their faith as well as academic excellence. We are an enthusiastic Department who demonstrate excellent teamwork, with everyone contributing to the development of resources. Our experience ranges from those just starting their careers, to those with more than 15 years in the profession. You will be someone who shares our vision but also someone who is prepared to take risks in learning and teaching and excels in their field. The Department offer individual teaching rooms which are excellently resourced and allow fun and engaging lessons to be delivered, the ethos of the department though is to share and refine rather than to work in silos.

The Second in Department will be responsible for either the Key Stage 3 curriculum or developing our Key Stage 5 provision as it commences in September. We teach Edexcel Specification A GCSE Syllabus and are currently creating an outstanding A Level offer through the AQA Specification. This is an excellent opportunity for a passionate, hard-working individual who would enjoy making their mark on our schemes of work as we continue to develop as a school.

Encouraging the faith of our pupils is of paramount importance at the College and we ensure there are many opportunities for all members of the community to do so. We are fortunate to have the support of several priests who regularly provide Mass, reconciliation and answer the pupils' questions about their faith. We are excited by the prospect of appointing a Chaplain from September to continue building on this crucial role.

We are looking for someone with vision and creativity who will enjoy taking the next step in their career and work in a dynamic, growing school with a number of opportunities both within and outside of the RE department.
