## SRRC HIGH SCHOOL Pupil Premium Plan 2019/20

The Pupil Premium Grant, was introduced by the government to help disadvantaged children and young people from Reception to Year 11 to achieve well at school. Schools receive specific funds to support children who are eligible for free school meals or have been at any point in the last six years, looked after children and those from families with parents in the Armed Forces. This funding is additional money given to schools to help raise the attainment of eligible students and improve the educational and personal outcomes for this group of students. Schools have the autonomy to spend the funds as they wish, with the aim of reducing the attainment gap between Pupil Premium and non-Pupil Premium children. Schools are required to publish details on their pupil premium grant, its allocation and the impact it has had on pupil attainment.

We recognise that not all students who are eligible for Free School Meals (FSM) are disadvantaged, and that some disadvantaged pupils are not registered for FSM. These students are identified through the College's pastoral or progress monitoring systems and we allocate pupil premium funding to support them.

The support that Pupil Premium children receive and the planned provision provided is informed by the latest documentation and research from: The Department for Education; Ofsted; The Education Endowment Fund and the Sutton Trust. In light of recommendations for best practice, the school provides the following provision for Pupil Premium children:

	<b>Total number of students eligible for pupil premium funding</b>	<b>Number of eligible boys</b>	<b>Number of eligible girls</b>	<b>Number of students eligible for free school meals in the last six years (ever 6 FSM)</b>	<b>Number of looked after children (LAC)</b>	<b>Number of post-LAC (PP+)</b>	<b>Number of service children</b>
