1. Our College

St Richard Reynolds Catholic College (SRRCC) is a vibrant community consisting of a federation of two Outstanding schools: St Richard Reynolds Catholic Primary School and St Richard Reynolds Catholic High School which includes a Sixth Form. It is under the Trusteeship of The Diocese of Westminster in partnership with the RC Diocese of Southwark.

Our community is a place where our young people come first, are loved, listened to, challenged and inspired.

We are part of the Catholic Church and at all times serves as a witness to our Catholic faith in Our Lord, Jesus Christ. Our College is truly part of the community, with many colleagues having connections with parents, students and the Parishes we serve.

We are a one form entry Primary School and a six form entry Secondary School with a growing Sixth Form of over 200 students.

We are excited about the prospect of working with you and hope the information contained within this booklet will help you decide that St Richard Reynolds is the right place for you to continue your career.

2. Working at our Catholic School

At St Richard Reynolds you will be upholding a vital mission of ensuring all children in our care can “See the Good Things of the Lord”. This will be not only through our classroom practice but also in our way of living, behaving, doing things, a way of learning and teaching that is inspired by Jesus’ words: “I have come that you may have life and have it to the full” (John 10:10).

When you start working at SRRCC you will be supported by our highly experienced Catholic Community team who will ensure you are comfortable leading a prayer, assisting at Mass and able to embed Catholic Social Teaching in your classroom, day in, day out.

We have a culture where no question is too obvious or off limits. We believe we are all on a journey with our faith and we take seriously our responsibility to ensure that all in our community are supported in their relationship with God.

We welcome teachers of all faiths, or indeed no faith. The value of working together for the enhancement of our mission is a tremendous witness in our pluralistic and richly diverse society.

3. The Department

The Maths department at Richard Reynolds is fully staffed with qualified teachers who have a passion for making Maths memorable, relatable and relevant to life in the 21st Century. Our Maths team is dynamic, well led and works as a team to ensure progress for our students is at least as good as English and that students get those vital qualifications whether it be a 5 at GCSE or an A* in Further Maths A Level.

Our Maths classes are set at Key Stage 3, moving to a greater degree of focus at Key Stage 4, however the philosophy is the same: all *can* achieve at Maths and all *should*. There is a great deal of movement between our classes as we know that students learn at different rates.

The team has high standards of themselves and students and are collaborative in their practice. Maths at SRRCC is an innovative, friendly and inclusive place to continue your teaching career.

You will appreciate and be excited by the knowledge that:

1. The department supports curriculum development across all key stages in our College: EYFS to KS5
2. You will become part of something very special for the Catholic and wider community in this part of South West London.
3. Our commitment to continued professional development means that you will learn and be developed in an environment which is committed to excellence.

4. The Role

We are looking to appoint an outstanding and experienced teacher with the potential for Deputy Subject Leader or Key Stage leader role depending on the experience and quality of the candidate. The ability to teach KS5 is desirable but not essential.

Salary negotiable dependent upon calibre and experience.

5. The SRRCC Difference

At St Richard Reynolds we believe that our staff are our most important asset and that each one of us, not only the children in our care should be Loved, Listened to, Challenged and Inspired.

We are always looking to recruit good people to join our existing group of outstanding practitioners who work tirelessly across the College; teachers, support staff and Leadership Team alike. We have listened to colleagues' thoughts on what they believe is unique about working at St Richard Reynolds and as a result have been thoughtful in our offer:

<p><i>Best in Class CPD</i> We consider our teaching to be a major strength of our College and we provide 'best in class' CPD to support this. As a member of staff you will have access to:</p> <ol style="list-style-type: none"> 1. Regular CPD sessions, focusing on learning and teaching and subject scholarship 2. An outstanding ITT provision 3. Leadership Development Programmes 4. Opportunities provided by being the West London Hub for the Chartered College of Teaching. 5. Options to complete NPQML and NPQSL 6. Thunk drop in sessions and Teachmeets 	<p><i>A commitment to developing you</i> Regular line management with a focus on you as an individual.</p> <p>Subsidised Masters programmes - with a clear benefit to the College as well as the individual.</p> <p>A clear and conscious career progression programme that spans our federated Primary, High School and Sixth Form; which spots, rewards and supports talent at whatever stage of your career.</p>	<p><i>Family friendly policies</i> We welcome working parents to SRRCC; many of our colleagues have children at the College.</p> <p>Having completed two consecutive years in post, the children of staff are eligible for priority places at the College.</p> <p>We also understand how important it is for parents to attend their children's school events whether that be their Sports Day or Nativity play. We offer a pragmatic approach to ensure your children and our students are best served.</p>
<p><i>Making your life easier</i> Complimentary - lunch for staff on duty - tea & coffee We are happy to accept your deliveries and will sign for them on your behalf. A local hairdresser can be booked to attend on site after school. Termly therapist visits and beauty treatments can be booked.</p>	<p><i>It's more than work...</i> As an employer, we are committed to staff well-being and appreciate that means different things to different people. Staff at St Richard Reynolds socialise together with, amongst other things, trips to comedy nights, art and cookery competitions, choir and band, sports teams and our annual "challenge" - so far we've completed the Three Peaks and are canoeing the Wye Valley in 2020. However, we are also aware that sometimes after leaving school, curling up with a good book or enjoying a walk makes our lives, and in turn our teaching, better and so is always encouraged. All staff also have access to a 24/7 confidential Employee Assistance Programme with access to specialist telephone counselling.</p>	

6. Colleague Profiles

Mrs Morgan
EYFS Teacher

I joined the College in September 2017 and since then have completed three years teaching our wonderful Reception class. I love coming to work each morning, not just to see the awe and wonder in our 4 and 5 year olds, but also because I work with a great team in EYFS/Key Stage 1. Everyone at SRRCC completes a Learning Inquiry and I have felt this has not only developed my practice but also encouraged me to see beyond my classroom and to feel truly part of the wider College. My children all attend SRRCC and I love being part of the wider Catholic community both within and beyond the College.

Miss Thompkins
Head of KS3

Richard Reynolds is my second school since completing my PGCE and I really appreciate the Richard Reynolds difference. I joined as a Geography teacher in 2018 and undertook the Leadership Development Programme - run for prospective Middle Leaders in our College. Since completing this I took on the role of Head of Year 7 in my second year here - the fourth year of teaching and am now Head of KS3. I feel I have been really encouraged to develop and have been supported in achieving my career goals. I also really enjoy the social side of Richard Reynolds - we work hard and we play hard and it was a real achievement to complete the Three Peaks Challenge with my colleagues last April. I am now completing my Masters in Education, supported by the College.

Mrs Mason:
Subject Leader for Science

Science at Richard Reynolds, like all departments, has dedicated facilities and a place at the heart of the curriculum. We lead the way for STEM education for girls and boys, working closely with other subjects.

I have worked at the College for 5 years and feel challenged, but supported with our results improving year on year. Sharing best practice and forging our own bold new initiatives makes teaching and leading a department at SRRCC hugely rewarding for me.

Mr Dawswell:
Head of KS5 English

I am currently in my second year at SRRCC after completing a placement here in Spring 2019. I chose to work at Richard Reynolds as I knew the support and opportunities I would get in my vital NQT year would be second to none. The ITT programme is innovative, supportive and evidence based. I'm never asked to do something I can't see a direct impact of in my classroom, and it's true that it's not just the children who are loved, listened to, challenged and inspired.
