## Science Technician

*Part-time / Full-time role*

*Salary dependent on experience but initially scale 3 on the NJC scale.*

We seek to appoint an experienced and able Science Technician for our primary and secondary schools in Twickenham.

Reporting in to the Lead Science Technician, the Science Technician will be part of a committed and enthusiastic team of support staff, providing exceptional support for learning and teaching at our College in order to provide a world class education for our pupils.

The position will involve, amongst other things:

- The preparation and delivery of apparatus requested by the Science teaching staff and setting it out if necessary in the required room.
- Storing chemical stocks in an orderly and safe manner and maintaining apparatus in a usable state.
- Assisting teaching staff and students in practical work when required.
- Working in co-operation with other technicians and teachers to ensure the smooth and safe running of all aspects of the department.
- Supporting teaching staff and pupils during lessons and also to assist supply teachers in the setting up of equipment.
- Assistance in preparing lesson materials in other departments from time to time.
- Application of Health and Safety procedures and to raising awareness of H&S issues specifically in relation to laboratories.

If you want to become part of our team and would like further information, please apply by application form with the names of two referees and a supporting letter.

*St Richard Reynolds Catholic College is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. Applicants will undergo appropriate child protection screening including checks with past employers and the Criminal Records Bureau.*
