Individuals have a right to make a 'subject access request' to gain access to personal information that the school holds about them.

Parent/carers can make a request with respect to their child's data where the child is not considered mature enough to understand their rights over their own data (usually under the age of 12), or where the child has provided consent.

If you make a subject access request, and if we do hold information about you, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- NOT provide information where it compromises the privacy of others
- Give you a copy of the information in an intelligible form.

You may also have the right for your personal information to be transmitted electronically to another organisation in certain circumstances.

In most cases, we will respond to subject access requests within 1 month, as required under data protection legislation. However, we are able to extend this period by up to 2 months for complex requests or exceptional circumstances.

We reserve the right to verify the requesters identification by asking for Photo ID. If this proves insufficient then further ID may be required.
