ST RICHARD REYNOLDS CATHOLIC PRIMARY SCHOOL
ST RICHARD REYNOLDS CATHOLIC HIGH SCHOOL

Dear Parents and Carers,

One of the things that makes St Richard Reynolds Catholic College so special is the strength of our community. Together, parents, staff, friends and governors share the same ambition: to give every child the very best education, opportunities and environment in which to flourish. As with all schools, rising costs and increasing financial pressures mean that government funding alone is no longer enough to provide everything we would wish for our children. That's why the College Enhancement Fund remains such an important part of supporting the life of the College.

Why the College Enhancement Fund matters

Over the years, the generosity of our families has helped transform our school – supporting important improvements to buildings and facilities that benefit every pupil, every day. These contributions make a real and visible difference across the College – from new school minibuses to supporting our music specialism. Government funding alone is no longer enough to provide everything our children deserve. The College Enhancement Fund fills that gap.

How you can help

The most effective way to support the Fund is through a small, regular monthly donation. Regular giving allows us to plan ahead with confidence and continue investing in the facilities and opportunities that enrich school life for all pupils. Suggested contributions are:

- Primary School families: £15 per month
- High School families: £25 per month

Every contribution matters, whatever the amount – what counts most is participation

Thank you for your continued generosity and support. Giving regularly helps ensure that every child at St Richard Reynolds benefits from the outstanding Catholic education and environment they deserve.

With warmest wishes,
