College Enhancement Fund

By St Richard Reynolds Catholic College becoming part of the Ascension Catholic Academy Trust in December 2022, we now have access to guaranteed capital funding in the form of a Schools Condition Allowance. This year, we have also been successful in obtaining grants for capital projects at our schools totaling over £1 million. Whilst this is a positive result it will only go part of the way to improving our schools' estate to provide a learning environment for our children that they deserve.

You will have seen recent press reports about serious funding pressures causing financial uncertainty for all schools. In order to maintain the high standard of education that we provide across all of our schools we need your support more than ever before.

Your previous contributions to our Governors Fund have raised approximately **£120k** per annum for our College and have helped us repay a loan to our Diocese for the completion of our sports hall. This year we will be delivering a number of capital projects, supported by the contributions you have made to date and continue to make towards improvements at our College.
