

Links with our Parish

Located in the heart of Twickenham, we are a Catholic Primary school and a Catholic High school working as an all-through College serving the Catholic parishes of Richmond, and beyond, that reside in both the dioceses of Southwark and Westminster.

The College is part of the Catholic Church's international family of schools. Religious education in the school is in accordance with the teachings of the Catholic Church, and religious worship is in accordance with its rites and practices. At all times the College serves as a witness to the Catholic faith in Our Lord Jesus Christ.

The Primary School has strong links with St James's Church and we also work closely with St Mary's University, Twickenham.

St. James's Church
Popes Grove
Twickenham
TW1 4JZ
