**Richard McPaul**  
*Staff Governor*

Our school, and extended ACAT community, is rooted in placing Christ's teachings central to all we do. Over the past decade, I have held this belief close in my teaching practice, allowing our Catholic values to inform my planning, my teaching, and my interactions with young people and their families. With compassion and patience, I have led a variety of teams, most notably the Art department and Safeguarding team, and collaborated with a vast array of professionals, both within SRRCC as well as the local community, with the aim of helping young people find safety, joy, and purpose in their lives.

**Members of the College Leadership Team** also attend governing body meetings as required. Minutes of most governing body meetings are available on request from the College Office.
