How do I choose the right subjects?

ST RICHARD REYNOLDS
CATHOLIC COLLEGE

- Speak to your teachers but choose subjects, not teachers
- Fulfil your ambitions not those of family/friends
- Choose subjects you ENJOY and you are GOOD at
- Competitive courses like Medicine, Dentistry and Vet Science require high grades at GCSE and A Level
- Check university entry requirements to check that you aren't limiting your options
- Consider facilitating subjects to keep doors open
- English Language and Maths are incredibly important beyond your entry into Sixth Form - don't sacrifice them for the subjects you would prefer to do at A Level
- Be prepared to change your mind before September and listen to our advice
- Talk to Mrs Altmann if you're considering an Oxbridge application
