1. Welcome Letter from the ACAT CEO

Dear Applicant,

Many thanks for your interest in working for Ascension Catholic Academy Trust (ACAT).

I am privileged to be ACAT's CEO and thought it might be helpful if I offered a few thoughts about who we are and what we stand for.

Established in December 2022 as part of the Diocese of Westminster, we are presently a group of six schools who have come together for our mutual benefit. There are currently four primary and two secondary schools within the Diocesan local authorities of Surrey, Richmond & Hounslow. This number is likely to grow as more Catholic schools join us from those local authorities.

Currently the schools in our Trust are:

- Our Lady of the Rosary Catholic Primary, Staines-upon-Thames
- St Ignatius Catholic Primary, Sunbury-on-Thames
- St Michael Catholic Primary & Nursery, Ashford
- St Richard Reynolds Catholic Primary, Twickenham
- St Paul's Catholic College, Sunbury-on-Thames
- St Richard Reynolds Catholic High School, Twickenham

As part of our work we are committed to recruiting, developing and retaining great teachers and leaders. Whilst the most important part of our Trust are our young people, its most valuable resource is its staff.

I am blessed to work with a group of dedicated, committed and like-minded Headteachers and staff who do a great job. We are not driven by Ofsted, but simply reference it; that said, each of our schools are good or outstanding in 'Ofsted terms' but each always continues to do better for the young people that they serve. We have a dedicated and committed Board of Directors and enjoy a good relationship with the Diocese of Westminster and the local authorities of Richmond upon Thames and Surrey.

Within and across ACAT, we believe that collaboration is the most useful and effective way to support each other and improve our schools to ensure we provide an outstanding Catholic education for all of our pupils.

We have begun to provide services centrally to liberate leaders in our schools to get on with the important part of their role, which is to ensure a great educational experience for their pupils and students. Too much time can be wasted in meetings discussing things that have little, if any, impact in the classroom and these are the tasks we are beginning to take on centrally. These central services include school finance and an increasing amount of HR. Many policies are also being written and reviewed centrally; and building work is organised and maintained centrally. A Primary School

Improvement Team has also recently been created from the great practitioners that exist across our schools.

If you already work in a Catholic school you will know they are special places to work, with our faith and hope being the backbone of our broad culture. If you have never worked in a Catholic school, please DO NOT be put off, but come and visit us to see for yourself.

Please have a look at our [website](#) to find out more about ACAT and its schools.

You have made a good decision to at least consider working with us. If you do apply and are successful you will receive great support and development whilst keeping your own character and personality. We are NOT a 'one size fits all' MAT, so please do apply.

Feel free to call me at any time on 020 8325 4630 or email me on info@ascensioncat.org if you have any questions.

I look forward to working with you.

With best wishes

R.E. Burke
ACAT CEO

8. Colleague Profiles

Mrs Morgan
EYFS Teacher

I joined the College in September 2017 and since then have completed three years teaching our wonderful Reception class. I love coming to work each morning, not just to see the awe and wonder in our 4 and 5 year olds, but also because I work with a great team in EYFS/Key Stage 1. Everyone at SRRCC completes a Learning Inquiry and I have felt this has not only developed my practice but also encouraged me to see beyond my classroom and to feel truly part of the wider College. My children all attend SRRCC and I love being part of the wider Catholic community both within and beyond the College.

Miss Thompkins LT
for SEND

Richard Reynolds is my second school since completing my PGCE and I really appreciate the difference. I joined as a Geography teacher in 2018 and undertook the Leadership Development Programme - run for prospective Middle Leaders in our College. Since completing this I took on the role of Head of Year 7 in my second year here - the fourth year of teaching and am now Head of KS3. I feel I have been really encouraged to develop and have been supported in achieving my career goals. I also really enjoy the social side of Richard Reynolds - we work hard and we play hard and it was a real achievement to complete the Three Peaks Challenge with my colleagues last April. I am now completing my Masters in Education, supported by the College.

Mrs Mason:
Head of Sixth Form

Science at Richard Reynolds, like all departments, has dedicated facilities and a place at the heart of the curriculum. We lead the way for STEM education for girls and boys, working closely with other subjects. I have worked at the College for 5 years and feel challenged, but supported with our results improving year on year. Sharing best practice and forging our own bold new initiatives makes teaching and leading a department at SRRCC hugely rewarding for me.

Mr Dawswell:
Head of English

I am working at SRRCC after completing a placement here in Spring 2019. I chose to work at Richard Reynolds as I knew the support and opportunities I would get in my vital NQT year would be second to none. The ITT programme is innovative, supportive and evidence based. I'm never asked to do something I can't see a direct impact of in my classroom, and it's true that it's not just the children who are loved, listened to, challenged and inspired.

9. Application Process

Please send the CES application form to: recruitment@srrcc.org.uk by **10am on Monday 4th November 2024** with an interview date w/c 4th November.

Start date: February 2025 (earlier January start negotiable depending on candidate)

Please also get in touch if you would like to talk in more detail about the role or indeed if you would like to meet and see us in action, we are only too happy to show you around our happy, engaging community.
