Use of Mobile Phones by Students in Years 7-11:

St Richard Reynolds Catholic College operates a mobile phone-free environment between 8:30am and 3:00pm. While students are permitted to bring mobile phones and smart watches to school, it is the students' responsibility to ensure that their device is **switched off** and **securely stored in a Yondr pouch** at the start of the school day during tutor time at 8:30am.

Each student is responsible for bringing their Yondr pouch to school daily and for maintaining it in good working condition. Students are allowed to carry the locked pouch on their person throughout the school day. Tutors will conduct a daily pouch check each morning, during which students will be required to demonstrate that their phone is properly secured in their locked Yondr pouch.

Students who do not have a mobile phone are not required to purchase or carry a Yondr pouch. However, parents must notify the school by completing the [no mobile phone - declaration form](#) confirming that their child will not be bringing a mobile phone onto school premises. At the end of the school day, students will be able to use one of the 8 magnets positioned around the school site to unlock their phone. These magnets will not be accessible until 3:00pm. If a student needs to leave the site before the end of the day, portable unlocking stations are available at Student Services and other designated locations.

Please find below the St Richard Reynolds mobile phone routine for students:

1. At the start of registration students will switch their phone off and put it in their Yondr pouch, before locking the Yondr pouch in front of their form tutor.
2. At the end of the school day, students will be able to unlock their Yondr pouch and take out their mobile phone via one of the magnets positioned around the school. They should then close their Yondr pouch and place this into their school bag ready for the next day.
3. Sixth Form students are allowed to have their mobile phones out in the SFSR, SFSS and LRC only. They are not allowed to have them visible anywhere else on the school site unless authorised by a member of staff. If a sixth form student is seen using their mobile phone at any point during the school day other than in the SFSR, SFSS and LRC, they will receive a sanction.
4. Additionally, students with medical needs will be able to use a velcro Yondr pouch, which can only be opened in emergencies and with the permission of a staff member. For example, to check glucose levels, if a student has diabetes.

5. St Richard Reynolds recognises that on occasions students may need to contact a family member in an emergency. If this is the case, they should go to either Student Services or speak to a member of the pastoral team (Progress Leader, Assistant Progress Leader or head of key stage) and if necessary, will be allowed to use a phone to contact their family. If a parent or carer needs to speak to their child due to an emergency during the school day then it must be via the school Reception, who will ensure that your child receives the message.
